

# ARTICULATION PATHWAYS WITH DOMESTIC ONSHORE PARTNERS

## *PLEASE NOTE:*

The information outlined below reflects established articulation arrangements between Murdoch University and Partner institutions.

If you have studied within the last 10 years, a course not listed here, or at an institution not listed here, you may still be able to receive Advanced Standing (credit and exemptions) towards the Murdoch major you are interested in studying.

All such cases are assessed on an individual, case-by-case basis when applying to Murdoch University. You will need to indicate on your application form that you wish to be considered for Advanced Standing, and provide certified copies of your academic transcript and certificate. A photocopy of your document, without being properly certified, will not be accepted.

In some cases, Recognition of Prior Learning, such as relevant work experience, may also make a student eligible for Advanced Standing. For further information regarding advanced standing please contact [advancedstanding@murdoch.edu.au](mailto:advancedstanding@murdoch.edu.au)
